

A dense, dark green hedge with a black garden lamp in the foreground. The lamp is a simple, cylindrical black pole with a flat top. The hedge is made of a thick, leafy plant, possibly boxwood, and is illuminated by natural light, creating a play of light and shadow. The overall mood is serene and elegant.

ITALIAN GARDEN

ITALIAN BEAUTY

The meticulous geometry is the first thing that strikes you. The timeless equilibrium of a perspective that stirs the sensation of intimate harmony within you. It feels like a warm embrace of serenity and beauty.

All the grace of an Italian garden... enhanced by the discrete presence of Puk collections, which weave modern design and cutting-edge LED technology into a harmonious dance with natural, architectural, and decorative elements. A perfect symphony.
